

Step-by-step Guide for posting a message on Instagram.

- 1. Log in to your Instagram account.
- 2. Click on the plus sign in the top right.
- 3. Click on Message Create

- 4. Add the image of your house. I have added an example image here.
- 5. You can then edit the photo, that is not necessary.

6. It's time to paste the text in

Dur house is for sale

Our house is for sale Starting today, our house is on Funda and KIJCK.nl! Do you know someone who is looking? **Sharing is appreciated!**

#houseforsale #newonthemarket #kijckmakelaars

Then click on 'Share' and you have created your Instagram post!
